Making you feel at home is a major concern for all French higher education institutions! The **Welcome to France** label is awarded to institutions that fulfil exacting criteria in the way they take care of their international students.

ACCOMMODATION

Finding somewhere to live is not always easy.

Rents are often high, and landlords require financial guarantees (such as a deposit).

Nevertheless, there is a wide range of accommodation on offer: halls of residence that are exclusively reserved for students and managed by the CROUS, student halls and private lodgings, rooms in private homes, flatshares...

The main thing is to start preparing for this as early as possible, before leaving your home country.

• The **CLLAJ (Comité Local pour le Logement Autonome des Jeunes, the local committee for independent accommodation for young people)** in Martinique provides a digital platform of services for young people aged between 16 and 30, **D'CLIC jeunesse**, which can help you find housing solutions through online classified ads: <https://www.cllaj-martinique.fr/> and <https://www.facebook.com/CLLAJMartinique>

GETTING AROUND IN MARTINIQUE

When travelling to Martinique from North America, Europe or the Caribbean, you are likely to fly in directly to Aimé-Césaire international airport in Le Lamentin (near Fort-de-France): <http://www.martinique.aeroport.fr/> To travel into the center of Fort-de-France from the airport, you can take the TCSP bus (Martinique Transport network). Schedule: <https://www.martiniquetransport.mq/>

Although the public transport network is rather underdeveloped on the island, buses run by the **Martinique Transport** network serve various locations in central Martinique (Fort-de-France, Lamentin, St-Joseph, Schoelcher): <https://www.martiniquetransport.mq/> The **ETUD** card allows students to travel at a reduced rate.

To travel longer distances around the island, you can use the **Vedettes tropicales** boat service which links up places around the Bay of Fort-de-France: <http://www.vedetestropicales.com/>

You can also use an app called **Batché** ('On board' in Creole) which gives various transport options (ride-sharing, taxis, shared taxis, chauffeured vehicles, etc.) for travelling around Martinique: <https://www.batchecaribbean.com/>

This validation must be carried out within the three months following your arrival: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

• If you have Algerian citizenship or you are a student holding a "concours" visa or a visa bearing the mention "carte à solliciter dans les deux mois" ("card to be requested within two months"): your request for a residence permit must be carried out at the Préfecture.

• If you hold a "mineur scolarisé" ("minor in education") visa and you have since attained your majority, you must request a residence permit directly on the ANEF website or at the *préfecture* of your place of residence within the two months following your attaining the age of legal majority: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>

Please note: if you wish to renew your residence permit or VLS-TS, you must make your request during the third month preceding the date of end of validity of your current residence permit, on the following website: <https://administration-etrangers-en-france.interieur.gouv.fr/particuliers/#/>
